

REGULATION FOR THE ACCOMMODATION WITH YOUR DOG

In the rooms dedicated to the accommodation with animals, dogs of all sizes are permitted.

Their stay is subordinated to the more scrupulous respect of the following rules:

- 1. Dogs must be kept at the leash;**
- 2. Their excrement must always be removed through the specific tools. The owner has to clean in the case of the dog dirties in the room or elsewhere;**
- 3. Dogs can walk in the park but they must be kept at the leash;**
- 4. It is absolutely forbidden to bring dogs in the swimming pool and in the internal areas of "Notos" Beauty Farm;**
- 5. Dogs are allowed to stay at the Restaurants in the special areas (depending on availability and subject to reservation);**
- 6. The hotel does not provide food, games, doghouses or other facilities (except if differently specified in the purchased package). The owner has to assure that his dog has all the necessary to avoid that it could damage the furniture or that it could cry or bark disturbing other guests;**
- 7. At your arrival, Receptionists will give you a Tag to be shown on the external handle of the door in case you would leave your four legged friend inside the room. Please, we ask you to communicate us the preferred time for the room cleaning. On your departure day, please give back the Tag to the Reception.**
- 8. Any other damages caused by the dog are of total responsibility of the owner. The deposit of Euro 100,00 will be refunded on your departure day.**

For any necessity, please contact the Reception.

Thank you.
