

SWIMMING POOL REGULATION

Dear Guest,

in order to ensure you an excellent and personalized service, Please read the following regulation regarding the allocation of the sun beds and pool towels.

The card received from the Front Office has to be delivered at the lifeguard station in order to have sun bed and pool towel given for the day.

In the case of need, you may require the replacement of the pool towel once the dirty one has been given back. The pool towel can be replaced only once for free and for extra replacements the cost is Euro 5,00 for each.

On the departure day or when leaving the facility (in case of not accommodated customers), please give back the pool towel to the lifeguard who will redeliver you the card that must be returned to the Front Office.

Failure to return the card, which means failure to return the pool towels, carries the obligation of payment of the towel itself in the amount of Euro 20,00.

In case of returning the towel when the lifeguard is missing, please give the pool towel back to the Hotel Front Office.

In the period from 05/08/2018 to 25/08/2018, the swimming pool will be accessible only to accommodated Guests.

Assured of your total understanding, we thank you in advance and wish to spend a pleasant stay

The Management
